Our lovingly restored barn set in 2½ acres of grounds has truly turned this place into a holiday paradise.

The 12m x 6m pool is heated and comes with a pool cabin, WC changing facility and fridge for the essentials!! The pool area is fenced-in for safety.

The Grange is a well appointed gite with 2 double and 2 twin bedrooms plus 1 good sofa bed, 2 bathrooms and 3 WC's. All bed linen, towels and pool towels are included in the price of your stay.

You have a spacious lounge with dining area, opening onto a private terrace that overlooks the river Thouaret.

A welcome pack awaits you in the fully equipped kitchen.

For indoor entertainment there is a TV, DVD and CD players, a small library, a slate based snooker table. The wood burning stove contributes to an intimate and tranquil atmosphere.

You can play table tennis on a full sized table, be energetic on the trampoline or play on the swings in our landscaped gardens, or try some relaxing fishing, visit the roman bridge in our small boat or even canoeing on our river.
